YOUR POLICY INFORMATION

Complete drainage & Boiler policy that includes
Drain repair, Drain clearing and Drain maintenance, Boiler Service & Boiler Repair

» At Secure My Drains, all our vans are fully equipped to deal with a variety of drainage problems.

» We understand that drainage can be a problematic issue and you will want the issue to be rectified immediately which is why we will aim to reach your property within an hour of your phone call.

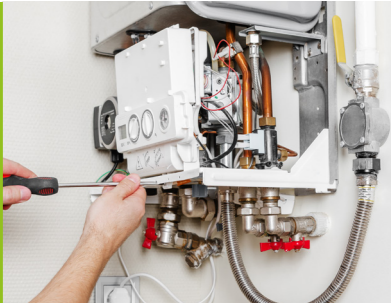

» Unlike other providers, there are no hidden charges for our drainage services. You will pay the exact same for out-of-working-hours calls as you would for services during normal working hours.

» CCTV survey and drain cleaning £179.99 as a basic cost with no additional work and drain lining is £60 (If applicable) per meter. Customers are only charged on completion.

» **COVER**
Your boiler and controls are covered in case of a breakdown with no call out fee, parts or labour.

» **CHECK-UPS**
Free quarterly check-ups (via telephone) to ensure there are no issues with your boiler.

» **CLEARANCE**
We can clear a blockage manually or with one of our specialist jetting or mechanical tools.

» **DRAIN JETTING**
Drain Jetting is a highly recommended technique used to effectively clear clogged drains fast.

» **GAS SAFE**
Our Gas Safe registered engineers will Help If you're left without heat.

» **DIAGNOSE & FIX**
We quickly diagnose and fix boiler issues accurately & efficiently with as little disruption as possible.

» **CCTV**
We can also use CCTV Tech to locate the source of damaged or broken drains to clear & fix the issue.

» **DIAGNOSE & FIX**
We quickly diagnose and fix your blocked drains accurately & efficiently with as little disruption as possible

» Energy companies recommend servicing your boiler at least once a year to make sure it's operating properly. Regular services can also cut costs in the long-run because it helps you avoid the need to fork out for expensive repairs.

» Our Boiler policy covers the cost of a plumber or engineer to come out and fix any problem with your boiler, at any time of day or night.

» It includes the cost of replacing broken or worn out parts and an annual service

» We provide approved Gas safe ® registered engineer to conduct a service on your boiler.

» We can also offer advice and tips on using your boiler more efficiently.

» Having your boiler serviced regularly may reduce the risk of a breakdown, and may also help to prolong the life of your boiler.

Our local engineers can assist in providing multiple solutions to reinstate the free-flow of your drains, from rodding, to jetting, to CCTV
